5. Categories of Special Educational Needs catered for in the school

Scoil Naomh Mhuire endeavours to be an inclusive school, where equality of access is valued and where pupils are encouraged to participate to the full extent of their abilities. The school welcomes applications from children with special educational needs. Such applications will be processed in accordance with the provisions of this policy. Pupils with special educational needs will be resourced in accordance with the level of resources provided by the DES and/or N.C.S.E. In relation to applications for the enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report or where such a report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and physical needs of the child relevant to her disability or special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will, prior to commencement date, make an application to the Special Education Needs

Organiser to provide the resources required to meet the needs of the child as outlined in the psychological/medical report. These resources may include for example, access to or the provision of any or a combination of the following:

- Visiting teacher service
- Special needs assistant

Where necessary, a full case conference involving all parties will be held, which may include Parents/Guardians, Principal, Class Teacher, Special Education Teacher, Special Educational Needs Organiser or Psychologist, as appropriate.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

Insert selection criteria here:

1. Siblings of children in the school and siblings of past pupils
- 2 Children from the catchment area of Scoil Naomh Mhuire.
3. Age of child with priority given to eldest
5. Children of Current Staff
- 6.All other applicants

If an applicant falls into a number of priority categories listed above, she/he will be included in the priority category which affords her/him the highest priority.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

If the maximum number of admissions is reached in any one of the categories outlined above, a selection process will apply whereby places will be offered to complete applications beginning with the oldest eligible applicant in that category and proceeding in descending order of age from the oldest to the youngest until all remaining available places have been filled. If during this selection process, two or more applicants have the same date of birth, the school will apply a random selection process to these applicants only, in order to establish to whom places in that category will be offered. This random

selection process will be witnessed by the Board of Management.

- A waiting list for unsuccessful applications will be compiled and applicants will be placed on the list in the order of priority as set out above. Where a vacancy becomes available, applicants on the waiting list will be offered a place in accordance with the order of priority the applicant has been placed on the list. A place on the waiting list expires on 30th September of the year of admission.
- Incomplete applications will not be considered, and applicants will not be placed on the waiting list.
- In a particular year, an applicant may fulfil the enrolment criteria and be offered a place, and parents of the applicant may accept the place. If subsequently the applicant's parents decide not to send their child to school that particular year, the applicant's place cannot be deferred. Instead the applicant must reapply for the following year and will be offered a place if they fulfil the enrolment criteria for that following year.
